

FAIRMONT SPA

FAIRMONT SPA *AT FAIRMONT HANOI*

Wellbeing at Fairmont Hanoi is not something separate. It flows quietly through the stay - in moments of pause, in the rhythm of breath, in the ease of simply being.

Set within CIRUA. Spa. Fitness & Wellness Club, Fairmont Spa forms part of the Inner Circle - a space dedicated to deep rest, ritual, and restoration. Here, wellness is intuitive, not instructed. It unfolds gently, through touch, through water, through an atmosphere designed to restore both body and mind.

Each experience is crafted to release tension, rebalance energy, and guide you back to your natural rhythm. It is wellness that meets you where you are, and moves at your pace.

Beyond the treatment room, a world of hydrotherapy and thermal experiences invites you to flow between warmth and coolness, between movement and stillness. Within this rhythm, time softens, the body unwinds, and the mind becomes clear.

This is your space to pause, to reconnect,
and to simply be.
